

MATERIALS TESTING SERVICES TERM CONTRACT (2022/2024)
FOR CONSTRUCTION MATERIALS (PACKAGE A)
NOTICE OF PRE-QUALIFICATION OF TENDERERS

It is intended to invite tenders in May 2022 from qualified laboratories for testing of construction materials.

2. The Works to be executed will generally consist of the following:
 - (a) provide materials testing services to construction sites of building/engineering (new works) contracts of the Hong Kong Housing Authority from October 2022 to December 2024 (Total 5 Term Contracts, each providing material testing services to approximate 12 building/engineering (new works) contracts);
 - (b) materials and chemical testing of concrete and its constituent materials, reinforcement steel, and non-shrink grout;
 - (c) confirmatory core drilling to concrete piles;
 - (d) preparation and submission of all necessary test reports and provision of ancillary service in accordance with the Specification; and
 - (e) any other tests and services as may be ordered by the Contract Manager from time to time within the Contract Period.

3. Laboratories with HOKLAS Accreditation on tests of aggregates, cement, concrete, chemical testing of concrete and its constituent materials, reinforcement steel, and proven work record in Hong Kong in the past 5 years are invited to apply for pre-qualification documents to:

Structural Engineer/MTM5,
Unit S1-S4, 3rd Level,
Lai Huen House, Lai Kok Estate,
Kowloon.
Telephone No. : 2386 0914
Email: shuklei.lau@housingauthority.gov.hk

4. Completed pre-qualification applications shall be submitted not later than Friday 21 January 2022 by registered mail to:

Structural Engineer/MTM5,
Unit S1-S4, 3rd Level,
Lai Huen House, Lai Kok Estate,
Kowloon.
Telephone No. : 2386 0914
Email: shuklei.lau@housingauthority.gov.hk

5. The Hong Kong Housing Authority reserves the right to reject any application.
