Add

“3. Alcotest 6820 manufactured by Dräger Safety AG & Co. KGaA, Lübeck, Germany.”.

SIU Chak-yee
Commissioner of Police

16 March 2023

Explanatory Note

This Notice amends Schedules 2 and 3 to the Road Traffic (Breath Analysing Instruments, Screening Devices and Pre-screening Devices) Notice (Cap. 374 sub. leg. S) (*principal Notice*) to add Alcotest 6820—

- (a) as an approved screening device for indicating whether the proportion of alcohol in a person's breath is likely to exceed the prescribed limit; and
 - (b) as an approved pre-screening device for indicating whether the proportion of alcohol in a person's breath reaches a level that it would be reasonable to suspect that that proportion is likely to exceed the prescribed limit.
2. The Notice also removes Alcotest 7410 from Schedule 2 to the principal Notice so that Alcotest 7410 is no longer an approved screening device for the purposes of the Road Traffic Ordinance (Cap. 374).
 3. Furthermore, the Notice makes minor textual amendments to the Chinese text of Schedules 2 and 3 to the principal Notice to achieve consistency.
