

RAILWAYS ORDINANCE (Chapter 519)

(Notice under Section 6(4))

RAILWAY STATION AT KWU TUNG

Notice is hereby given that the Secretary for Transport and Housing proposes to construct a new railway station at Kwu Tung as described in the scheme and shown on General Layout Plans Nos. KTU-G01 and KTU-G02; and Control of Building Plans and Commencement of Work Plan No. KTU-P01 (the 'Plans') annexed thereto. The scheme and the Plans have been deposited in the Land Registry.

The general nature and effects of the scheme are as follows:

The proposed railway station at Kwu Tung will be an intermediate station at the existing Sheung Shui to Lok Ma Chau Spur Line between Sheung Shui Station and Lok Ma Chau Station. The proposed railway station at Kwu Tung includes the following works:

- (a) construction of the underground railway station and railway facilities at Kwu Tung, and associated station entrances, emergency access, emergency vehicular access, ventilation shafts and plant rooms;
- (b) modification works of the existing Sheung Shui to Lok Ma Chau Spur Line to facilitate future operation;
- (c) civil and structural works, electrical and mechanical works;
- (d) construction of other associated railway facilities, including means of access for fire fighting and rescue, means of escape, train control and communication facilities, and electrical and mechanical plants;
- (e) associated reconstruction, modification and realignment of existing roads and facilities including carriageways and footpaths;
- (f) preventive or remedial works including ground treatment; and
- (g) ancillary works including associated drainage works, slope works, landscaping works, other road works, and demolition and reprovisioning of existing services and facilities.

The scheme and the Plans are available for inspection by members of the public free of charge at the following places and during the following hours when those offices are normally open to the public:
