

FIRE SERVICES ORDINANCE (Chapter 95)

ORDER MADE BY THE REGISTERED FIRE SERVICE
INSTALLATION CONTRACTORS DISCIPLINARY BOARD

It is hereby notified that a Disciplinary Board appointed by the Chief Executive under regulation 9 of the Fire Service (Installation Contractors) Regulations (the 'Regulations'), subsidiary legislation of the Fire Services Ordinance, Chapter 95, Laws of Hong Kong, was satisfied after a due inquiry held on 22 February 2023 in accordance with regulation 10 of the Regulations, that NG Hau-lin, being a Class 3 registered Fire Service Installation Contractor, was guilty of improper conduct or negligence in the installation, maintenance, repair or inspection of fire service installation or equipment, in that on 8 September 2021, did issue a Certificate of Fire Services Installation and Equipment, which was false or misleading in a material particular, certifying that two (9L) water type fire extinguishers, next to the staircase on G/F and 1/F, House 1, Oxford Lane, The Royal Oaks, 8 Kam Tsin South Road, Sheung Shui, N.T., were replaced on 31 August 2021 and conformed with Fire Services Department ('FSD') requirements. In fact, those two fire extinguishers were nearly empty and the weight of each was far below 9 kg, such that its continued inclusion in the register of fire service installation contractors will be prejudicial to the due administration of the Fire Services Ordinance.

It is further notified that pursuant to regulation 10(2)(a) of the Regulations, the said Disciplinary Board ordered that the name of NG Hau-lin be removed from the register of fire service installation contractors in Class 3 for a period of TWO MONTHS, which order will take effect from 27 March 2023 to 26 May 2023.
