Statement of Reasons
Under section 209(2) of the Securities and Futures Ordinance (Cap. 571)

1. Emperor Securities Limited (**Emperor**), CS Wealth Securities Limited (**CS Wealth**) and CMB International Securities Limited (**CMB**) are corporations licensed under the Securities and Future Ordinance (**SFO**) to carry on certain regulated activities.
2. It appears to the Securities and Futures Commission (**Commission**) that the imposition of the prohibition and requirement set out in the Restriction Notices which the Commission issued on this date under sections 204 and 205 of the SFO is desirable in the interest of the investing public or in the public interest.
3. The Commission has reached this view based on the following:
 - (a) Company A, Company B and Company C are companies incorporated in the British Virgin Islands (**BVI Companies**) solely owned by X, Y and Z respectively.
 - (b) X, Y and Z are amongst the current or former management team of FingerTango Inc. (**FingerTango**; stock code: 6860) , and X, Y and Z are suspected to have caused FingerTango to make an investment in December 2019 which subsequently defaulted, and as a result FingerTango suffered a loss of HK\$258.75 million.
 - (c) The Commission's investigation revealed that the business or affairs of FingerTango might have been conducted in a manner (i) involving defalcation, misfeasance or misconduct towards the company, its subsidiaries and its members; (ii) resulting in its members not having been given all the information with respect to its business or affairs that they might reasonably expect; and/or (iii) unfairly prejudicial to their members or part of their members, and that X, Y and Z appear to be wholly or partly responsible for the business or affairs of FingerTango having been so conducted.
 - (d) The Commission intends to commence proceedings under section 214 of the SFO against X, Y and Z seeking, inter alia, an order that X, Y and Z be jointly and severally liable to compensate FingerTango for the losses it suffered as a result of the failed investment.
 - (e) To ensure that there will be funds available to meet the compensation order sought if so ordered by the Court under section 214 of the SFO, the Commission believes that it is necessary to prevent the BVI Companies and/or persons connected with them from operating and dealing with, which include withdrawing and transferring the FingerTango shares and/or money arising from the disposal of those shares held in their accounts maintained with Emperor, CS Wealth and/or CMB so as to preserve the assets in those accounts up to HK\$258.75 million.
 - (f) As there is a potential risk of dissipation, the Commission considers that it is desirable in the interest of the investing public or in the public interest to impose on Emperor, CS Wealth and CMB the prohibition and requirement as set out in the Restriction Notices issued by the Commission on this date.

Dated this 17th day of April 2023.
