ORDER MADE BY THE REGISTERED FIRE SERVICE
INSTALLATION CONTRACTORS DISCIPLINARY BOARD

It is hereby notified that a Disciplinary Board appointed by the Chief Executive under regulation 9 of the Fire Service (Installation Contractors) Regulations (the 'Regulations'), subsidiary legislation of the Fire Services Ordinance, Chapter 95, Laws of Hong Kong, was satisfied after a due inquiry held on 9 December 2021 in accordance with regulation 10 of the Regulations, that F.S. Engineering Company Limited, being a Class 1 and Class 2 registered Fire Service Installation Contractor, (i) on 20 December 2018, you did issue a Certificate of Fire Services Installation and Equipment which was false or misleading in a material particular, alleging that except the defect items listed in Part 3 of the Certificate, the Fire Hydrant/Hose Reel System of Fu Shing House, Fung Shing Court, Shatin, New Territories was annually inspected on 14 December 2018 and conformed to FSD requirement. Whereas, you did not properly inspect the Pressure Reducing Valves and the ancillary Gate Valves of the Fire Hydrant/Hose Reel System during the annual inspection, so that the defective Pressure Reducing Valves and the ancillary Gate Valves had not been discovered; and (ii) on 17 July 2019, upon completion of the repairing of the damaged parts of the Fire Hydrant/Hose Reel System and Manual Fire Alarm System of Fu Shing House, Fung Shing Court, Shatin, New Territories, did fail to ensure the Fire Hydrant/Hose Reel System and Manual Fire Alarm System had resumed efficient working condition, such that its continued inclusion in the register of fire service installation contractors will be prejudicial to the due administration of the Fire Services Ordinance.

It is further notified that pursuant to regulation 10(2)(a) of the Regulations, the said Disciplinary Board ordered that F.S. Engineering Company Limited be removed from the register of fire service installation contractors in Class 1 and Class 2 for a period of three months, which order will take effect from 11 January 2022 to 10 April 2022.
