Please note that there will be no rates concession for this quarter and the succeeding one. The total amount due is shown on the demand note. Non-receipt or late receipt of demand note does not alter the requirement that the total amount due must be paid on or before 31 October 2023. A surcharge of 5% under the provisions of the above-mentioned Ordinances will be imposed for late payment. A further surcharge of 10% will be levied on the outstanding amount (including the 5% surcharge) which remains unpaid six months after the last day for payment.

For payment by autopay, the rates and/or Government rent will be debited from payers' bank accounts on 31 October 2023. Payers should ensure that there are sufficient funds in their bank accounts to meet the payments on that date until settlement.

To support environmental protection, payers are advised to utilise the Rating and Valuation Department's free eRVD Bill service to receive e-bills and make payments. Payers are also encouraged to settle bills by Autopay or other means of e-payment (e.g. PPS, ATMs, Internet banking or e-Cheque/e-Cashier Order) in order to save queuing time. Application forms for autopay are obtainable from the Rating and Valuation Department, District Offices and major banks in Hong Kong or by telephoning 2152 0111. Payers may also download the form from the Rating and Valuation Department's website.
