The notice of objection shall describe the interest, right or easement of the objector and the manner in which he alleges he will be affected.

SCHEDULE

Foreshore and sea-bed affected

Approximately 1.09 hectares of foreshore and sea-bed situated to the south-west of Yung Shue O as delineated and shown edged red on a plan, numbered TPM6876b, deposited in the Land Registry.

Description of the undertaking and the manner in which the foreshore and sea-bed will be affected by the proposed undertaking

Works include demolition of the existing jetty, construction of a new pier and provision of a temporary pier during the construction stage. The proposed pier will be composed of a gangway, a floating walkway and a floating platform held in position by piles, covering an area of approximately 220 square metres above the sea.

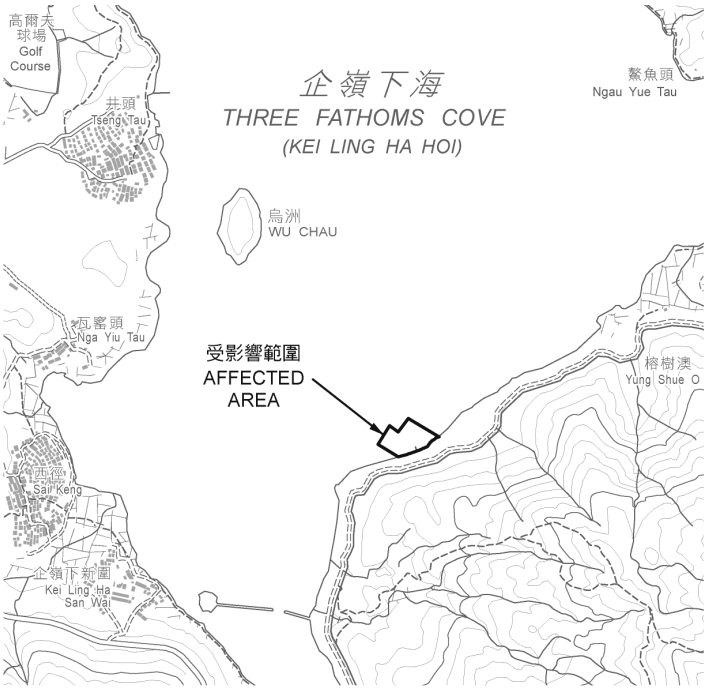

The area of foreshore and sea-bed affected is shown on the plan on the next page for identification purposes only. The area is more particularly shown on the plan numbered TPM6876b above referred to.

Personal Information Collection Statement

Any information, including the personal data, submitted to the Director of Lands in connection with any written objections/comments will be used for the processing of the objections/comments and other related purposes. The provision of any information, including the personal data, other than the information as required under section 6(2) of the Foreshore and Seabed (Reclamations) Ordinance (Chapter 127) is voluntary. However, it may not be possible to process the objections/comments if such information, including the personal data, is not sufficiently provided. Any information, including the personal data, so submitted may be disclosed to the relevant government departments and other persons, organizations or agencies which are required to handle the objections/comments and related matters. Persons who have so submitted their personal data have the rights to request access to and correction of their personal data held by us. Request for access to or correction of the personal data should be made in writing to the Departmental Personal Data Controlling Officer of Lands Department at 21st Floor, North Point Government Offices, 333 Java Road, North Point, Hong Kong.
