Statement of Reasons

Under section 209(2) of the Securities and Futures Ordinance (Cap. 571) (the "SFO")

1. Emperor Securities Limited is a corporation licensed under the SFO to carry on Type 1 and Type 4 regulated activities. Get Nice Securities Limited is a corporation licensed under the SFO to carry on Type 1, Type 4, Type 6 and Type 9 regulated activities (Emperor Securities Limited and Get Nice Securities Limited, the "**Specified Corporations**")
2. It appears to the Securities and Futures Commission (the "**Commission**") that the imposition of the prohibitions and the requirements set out in the Notice of this date issued by the Commission under sections 204 and 205 of the SFO is desirable in the interest of the investing public or in the public interest.
3. The Commission has reached this view on the basis of the following matters:
 - (a) The shares of Chinlink International Holdings Limited ("**Chinlink**", stock code: 00997) were listed on the Mainboard of The Stock Exchange of Hong Kong Limited on 10 March 2000 at the offer price of \$1.52 per share under the name of Decca Holdings Limited, the name of which was changed to Chinlink with effect from 20 January 2012. Chinlink is principally engaged in trading of electronic products and consumer goods, property investment, financial advisory, provision of financial guarantee services, factoring services and logistic services in the PRC.
 - (b) On 29 October 2021, in the absence of any negative corporate news or events, Chinlink's share price plunged by 78% to close at \$0.2 from the previous closing price of \$0.92 on 28 October 2021.
 - (c) Whilst the investigation is still ongoing, evidence obtained by the Commission to date suggests that a group of traders ("**Traders**") might have acted in concert in a pre-arranged manner to conduct manipulative trading and/or participated in a deceptive scheme in respect of the dealings in Chinlink shares during the period from 11 October 2021 to 29 October 2021, by inflating the share price of Chinlink to an artificially high level followed by disposals of the shares. The Traders might have cornered trading in the shares of Chinlink and manipulated the price by pre-arranged transactions and offloaded their shareholding simultaneously prior to the price collapse.
 - (d) The clients of the Specified Corporations (the "**Clients**"), whose accounts are the subject of the Notice of this date issued by the Commission under sections 204 and 205 of the SFO, are amongst the Traders.
 - (e) The Commission has reasons to suspect that false trading, price rigging and/or stock market manipulation within the meaning of sections 274, 275 and 278 of the SFO might have taken place and/or persons might have committed offences under sections 295, 296, 299 and/or 300 of the SFO and/or breached Part XV of the SFO.
 - (f) Where it appears to the Commission that a person has contravened any of the provisions of the SFO specified above, the Court of First Instance ("**CFI**"), on the application of the Commission, may make an order requiring the person to take such

steps as the CFI may direct, including steps to restore the parties to the transaction to the position in which they were before the transaction was entered into, or to pay damages under section 213 of SFO. Further action taken by the Commission may result in the person be ordered to disgorge the profits he/she has made.

- (g) The Commission believes that it is necessary to prevent the Clients and/or person(s) connected with the Clients from operating and dealing with the accounts specified in the Notice and to preserve the cash and securities in the accounts pending further investigation.
- (h) As there is a potential risk of dissipation, the Commission considers that it is desirable in the interest of the investing public or in the public interest to impose on the Specified Corporations the prohibitions and the requirements as set out in the Notice issued by the Commission on this date.
