

TELECOMMUNICATIONS ORDINANCE (Chapter 106)

Pursuant to sections 7B(3)(a) and 7C(4) of the Telecommunications Ordinance, the Communications Authority ('CA') publishes today a consultation paper entitled 'Creation of a Class Licence for Regulating the Use of and Trade in 6 GHz Devices for Wireless Local Area Network and Variation to the Class Licence for Provision of Public Wireless Local Area Network Services' proposing to:—

- (a) create a class licence to regulate the possession, use and trading of wireless local area network ('WLAN') devices operating in the 5925–6425 MHz band; and
- (b) vary the Class Licence for Provision of Public Wireless Local Area Network Services to allow the use of the 5925–6425 MHz band for provision of public WLAN services.

The consultation paper and the current version of the Class Licence for Provision of Public Wireless Local Area Network Services may be downloaded from the website of the CA at (https://www.coms-auth.hk/filemanager/en/content_711/cp20211126_e.pdf) and ([https://www.coms-auth.hk/filemanager/common/licensing/Wireless_Local_Area_Network_Services_\(Eng\).pdf](https://www.coms-auth.hk/filemanager/common/licensing/Wireless_Local_Area_Network_Services_(Eng).pdf)) respectively. The CA invites members of the public who are interested to make representations on matters set out in the consultation paper to do so on or before 24 December 2021. Representations should be sent to:—

Office of the Communications Authority
