

**RAILWAYS ORDINANCE (Chapter 519)**

**(Notice under Section 6(4))**

**RAILWAY STATION AT HUNG SHUI KIU**

Notice is hereby given that the Secretary for Transport and Logistics proposes to construct a new railway station at Hung Shui Kiu, as described in the scheme and shown on General Layout Plans Nos. HSK-G01 to HSK-G03 inclusive; and Control of Building Plans and Commencement of Work Plan No. HSK-P01 (the 'Plans') annexed thereto. The scheme and the Plans have been deposited in the Land Registry.

The general nature and effects of the scheme are as follows:

The proposed railway station at Hung Shui Kiu will be an intermediate station at the existing Tuen Ma Line between Tin Shui Wai Station and Siu Hong Station. The proposed railway station at Hung Shui Kiu includes the following works:

- (a) construction of the above ground railway station and railway facilities at Hung Shui Kiu, and associated station entrances, emergency vehicular access and plant rooms;
- (b) modification works of the existing Tuen Ma Line to maintain existing operation and facilitate future operation;
- (c) demolition of the existing emergency access point;
- (d) civil, structural and foundation works, electrical and mechanical works;
- (e) construction of other associated railway facilities, including train control and communication facilities, and electrical and mechanical plants;
- (f) associated reconstruction, modification and realignment of existing roads and facilities including carriageways and footpaths;
- (g) preventive or remedial works including ground treatment; and
- (h) ancillary works including associated drainage works, waterworks, slope works, landscaping works, other road works, and demolition and reprovisioning of existing services and facilities.
