- (b) for staff members involved in the operation of the premises, require the person-in-charge to collect and retain the Vaccination Record or Exemption Certificate (as applicable) of his/her staff members for inspection on the request of an authorized officer; and
- (c) require the person-in-charge to display a copy of the notice specified in **Annex 4** in a prominent position at or near every entrance to the premises with a size not less than 210 x 297 mm (A4 size).

Part (3): Hotel/guesthouse

I hereby exercise the power conferred on me by section 3(1) of the Regulation to issue, in relation to hotel/guesthouse as defined in the Prevention and Control of Disease (Requirements and Directions) (Business and Premises) Regulation (Cap. 599, sub. leg. F), the following direction for the purposes of the Regulation to:—

- (a) require that every staff member involved in the operation of any hotel/guesthouse to have received COVID-19 vaccine in the manner specified in **Annex 1**; and
- (b) require the person-in-charge to collect and retain the Vaccination Record or Exemption Certificate (as applicable) of his/her staff members for inspection on the request of an authorized officer.

The above directions take effect on 4 May 2022 and supersede the directions issued on 20 March 2022.

Note 1:—

For a person who is also subject to vaccination requirements under any directions issued pursuant to the Prevention and Control of Disease (Requirements and Directions) (Business and Premises) Regulation (Cap. 599, sub. leg. F) apart from these directions issued pursuant to the Prevention and Control of Disease (Vaccine Pass) Regulation (Chapter 599, sub. leg. L), the vaccination requirements under the relevant directions issued under the former Regulation prevail.

Note 2:—

A person exempted from the Vaccine Pass requirements includes the following:—

- (1) a person aged below 12;
- (2) a person holding an Exemption Certificate;
- (3) a person entering a premises only for placing an order for takeaway of food or drink, or taking such food or drink, on the premises;
- (4) a person delivering or picking up an article on the premises;
- (5) a person performing necessary repairs on the premises;
- (6) a person entering or passing through a premises for receiving vaccination, medical treatment, COVID-19 testing, receiving essential Government services, or participating in legal proceedings; or
- (7) a person who has lawful authority or reasonable excuse for entering or remaining on the premises without having been vaccinated in the manner that meets the Vaccine Pass Requirements.

For details on applicable scenarios of the exemptions, please visit the COVID-19 Thematic Website (https://www.coronavirus.gov.hk/pdf/vp_t2_ENG.pdf).

Note 3:—

COVID-19 Vaccination Record refers to the following types of record, in paper or electronic form: (i) vaccination record issued under the COVID-19 Vaccination Programme organised by the Government; (ii) declaration record of non-local COVID-19 vaccination record issued at border control points or designated post offices; (iii) non-local vaccination record with declaration made by the person concerned upon entry to relevant premises; and (iv) COVID-19 Recovery Record (“Recovery Record”) ^[Note 5]. From 1 September 2022 onwards, Vaccination Record in (iii) will no longer be accepted except with declaration record under (ii).

Note 4:—

COVID-19 Vaccination Medical Exemption Certificate refers to the certificate issued by a registered medical practitioner to a person who is assessed as medically unsuitable for vaccination by the practitioner, pursuant to the arrangements for issuing such a certificate as specified by the Department of Health. From 1 May 2022 onwards, only Exemption Certificate issued through the eHealth System with a QR code will be accepted.

Note 5:—

COVID-19 Recovery Record refers to the record issued to a person to certify that he/she had been infected with and/or had recovered from COVID-19 (“a recovered person”). For the purpose of Vaccine Pass, recovery is defined as 14 days after the date of the most recent documented positive test.

For a person infected or recovered in Hong Kong, the relevant proof of infection or recovery include the following:—

- (1) text message, electronic record or paper certificate of positive Polymerase Chain Reaction test result issued by the Government or a recognised laboratory under the Laboratory Recognition Scheme of the Departments of Health;
- (2) text message or electronic record of a completed declaration of positive Rapid Antigen test result on the “Declaration System for individuals tested positive for COVID-19 using Rapid Antigen Test” of the Department of Health;

- (3) isolation order issued by the Department of Health;
- (4) discharge letter issued by any public hospitals or isolation facilities; or
- (5) any other documents or electronic records issued by the Government or the Hospital Authority pertaining to the recovered person status of an individual.

For a person infected or recovered outside Hong Kong, the relevant proof of infection or recovery should be the record issued or recognised by the relevant health authorities of the place concerned.

The Government has made arrangements for the Recovery Record to be incorporated into the QR Code for the Vaccination Record, and for non-local proof of infection or recovery to be declared and recognised for the purpose of the Recovery Record. If the Recovery Record is not yet available for a recovered person, the person may carry or present his/her relevant proof of infection or recovery in lieu of the Vaccination Record or Recovery Record to show that he/she meets the relevant Vaccine Pass requirements applicable to a recovered person (see [Annex 1](#)). As a transitional arrangement until 30 June 2022, such a recovered person is also not required to comply with the requirement under sub-paragraph (d) of Part (1) of this direction. From 1 July 2022 onwards, only Recovery Record with a QR code will be accepted.

Note 6:—

For (1) outdoor place of public entertainment, (2) outdoor sports premises, and (3) outdoor event premises, the person-in-charge of any of these outdoor premises is only required to visually inspect the Vaccination Record or Exemption Certificate (as applicable) of any person entering or remaining on the premises as far as feasible, and the requirements in sub-paragraphs (b), (c), (d) and (f) are not applicable. For the requirement in sub-paragraph (g), the person-in-charge of these outdoor premises is to display a copy of the notice specified in [Annex 3](#) in a prominent position at or near every entrance to the premises with a size not less than 210 x 297 mm (A4 size).

	(ii) Received 1st dose before COVID-19 infection ^[Note 11]	2nd dose *2nd dose not required for a person aged 12–17 who took Comirnaty (BioNTech) as 1st dose

Note 7:—

A person who received a “full course” COVID-19 vaccination will be deemed to have fulfilled the requirement for the 2nd dose, provided that the vaccine is on the list of recognised vaccines (“the List”) on the Government’s COVID-19 Thematic Website (https://www.coronavirus.gov.hk/pdf/list_of_recognised_covid19_vaccines.pdf), and the person has received the “dose(s) required” stipulated under the List. For the person to fulfill the requirement for the 3rd dose, he/she should receive an additional dose on the List after the “full course”. For a person who has been fully or partially vaccinated with vaccines not on the List, he/she is required to start over with vaccines available in Hong Kong following the local recommended schedule.

Note 8:—

For a person who will turn 18, he/she will be given a 3-month window, counting from his/her 18th birthday, during which his/her eligibility will follow the category applicable to persons aged 12 to 17, and thereafter his/her eligibility will follow the category applicable to persons aged 18 or above.

Note 9:—

For a person who will turn 12, he/she will be given a 3-month window, counting from his/her 12th birthday, during which he/she will be exempted from Vaccine Pass requirements, and thereafter his/her eligibility will follow the category applicable to persons aged 12 to 17.

Note 10:—

Recovery is defined as 14 days after the date of the most recent documented positive test.

Note 11:—

For the purpose of the Vaccine Pass, all doses received before COVID-19 infection will be taken into account regardless of the interval between the date of vaccination and the date of the most recent documented positive test. A recovered person is still recommended to follow the Department of Health's Scientific Committee on Emerging and Zoonotic Diseases and Scientific Committee on Vaccine Preventable Diseases in counting only those doses received at least 14 days before the most recent documented positive test for his/her vaccination course.
