

CORRIGENDUM

With reference to the English version of the Government Notice No. 611 on Gazette Extraordinary No. 216 Vol. 26 published on 15 June 2022, it is hereby notified that the measures—

- “(1) subject to Note 1, the requirements applicable to catering business premises in the Vaccine Pass Direction issued under the Prevention and Control of Disease (Vaccine Pass) Regulation (Chapter 599, sub. leg. L) (G.N. (E.) 497 of 2022) (*Vaccine Pass Direction*) must be complied with ^[Notes 2, 3 and 4];
- (2) it must be ensured that before a customer is allowed to enter the premises, he/she scans the ‘LeaveHomeSafe’ venue QR code using the ‘LeaveHomeSafe’ mobile application on his/her mobile phone/other mobile device ^[Note 5];
- (3) it must be ensured that before a customer is allowed to enter the premises, he/she produces the negative result of a RAT conducted within the preceding 24 hours ^[Note 7]; and
- (4) arrangements must be made for all staff members involved in the operation of the business on the premises ^[Note 2] to undergo a rapid antigen test (*RAT*) for coronavirus disease 2019 (*COVID-19*) once every three days before entry into the premises (in other words, a staff member must, on the day when he/she enters the premises for work (*relevant work day*), hold a RAT result obtained on the relevant work day or on any of the two days immediately preceding the relevant work day) and keep record of each RAT result for three days ^[Note 6]”

under Part (I)(a) of the notice should be amended to read—

- “(1) subject to Note 1, the requirements applicable to catering business premises in the Vaccine Pass Direction issued under the Prevention and Control of Disease (Vaccine Pass) Regulation (Chapter 599, sub. leg. L) (G.N. (E.) 497 of 2022) (*Vaccine Pass Direction*) must be complied with ^[Notes 2, 3 and 4];
- (2) it must be ensured that before a customer is allowed to enter the premises, he/she scans the ‘LeaveHomeSafe’ venue QR code using the ‘LeaveHomeSafe’ mobile application on his/her mobile phone/other mobile device ^[Note 5]; and
- (3) arrangements must be made for all staff members involved in the operation of the business on the premises ^[Note 2] to undergo a rapid antigen test (*RAT*) for coronavirus disease 2019 (*COVID-19*) once every three days before entry into the premises (in other words, a staff member must, on the day when he/she enters the premises for work (*relevant work day*), hold a RAT result obtained on the relevant work day or on any of the two days immediately preceding the relevant work day) and keep record of each RAT result for three days ^[Note 6]”.
