 - (5) prior to boarding the cruise ship and entering relevant premises therein, if applicable, must scan the ‘LeaveHomeSafe’ venue QR code using the ‘LeaveHomeSafe’ mobile application on his/her mobile phone/other mobile device ^[Note 3]; and use the alternative contact tracing device as per the guidelines of the premises operator/manager if provided with such a device; and
 - (6) before boarding the cruise ship, must conduct body temperature screening.

Note 1:—

Among the relevant requirements and restrictions, a person under the age of 2 is not required to comply with the requirement in relation to the wearing of mask within any scheduled premises.

Note 2:—

- (A) If a staff member involved in the operation of the business on the premises is exempted from the Vaccine Pass requirements under the Vaccine Pass Direction, then he/she must undergo a PCR test, the sample of which must be taken through combined nasal and throat swabs which must not be taken by the person being tested ^[Note 8] once every 7 days starting from 11 August 2022, and ensure that a SMS notification containing the result of the test is obtained before 18 August 2022 and the end of every subsequent 7-day period and keep record of each SMS notification for 31 days.

The following staff members involved in the operation of the business on the premises must make a declaration to the premises operator using the specified form available on the COVID-19 Thematic Website/relevant website of the Food and Environmental Hygiene Department (**FEHD**):—

- (1) staff members who received COVID-19 vaccination outside Hong Kong; or
 - (2) staff members who hold a COVID-19 Vaccination Medical Exemption Certificate (**Exemption Certificate**).
- (B) If a staff member involved in the operation of the premises (who is required to have received two doses of COVID-19 vaccine) had been issued an Exemption Certificate and was exempted from the vaccine pass requirement under the Vaccine Pass Direction, and such staff member subsequently received one dose of COVID-19 vaccine but has not received the second dose of COVID-19 vaccine during this specified period, then the relevant premises operator and staff member who adopt the following two measures would not be deemed to have violated the relevant requirement about staff members receiving two doses of COVID-19 vaccine:—
- (i) ensure that such staff member has already made an appointment for receiving the second dose of COVID-19 vaccine within 35 days following the day on which he/she received the first dose, and keeps record of the above appointment; and
 - (ii) arrange for such staff member to undergo a PCR test for COVID-19 once every 7 days starting from 11 August 2022 and the sample(s) of the test(s) conducted must be taken through combined nasal and throat swabs which must not be taken by the person being tested ^[Note 8], and ensure that such staff obtain SMS notification containing the result of the test before 18 August 2022 and the end of every subsequent 7-day period and keep record of each SMS notification for 31 days, until the relevant staff members have received the second dose of COVID-19 vaccine.

Note 3:—

If a person belonging to any one of the following three categories of persons is unable to use the 'LeaveHomeSafe' mobile application to record his/her visit to the relevant premises, he/she should use the specified form available on the COVID-19 Thematic Website/FEHD webpage or a written or electronic form separately prepared containing all content in the aforementioned standard form to register his/her name, contact number and the date and time of his/her visit and the relevant premises operator must keep the written or electronic records for 31 days:—

- (1) persons aged 65 or above or aged 15 or below;
- (2) persons with disability; and
- (3) other persons recognized by the Government or organization(s) authorized by the Government as eligible for the above arrangement.

Only in respect of a person aged 15 or below who is unable to use the 'LeaveHomeSafe' mobile application, if his/her adult accompanying person has used the 'LeaveHomeSafe' mobile application to scan the relevant venue QR code or used the above specified form to register relevant information in accordance with the relevant requirements, he/she would not have to register the relevant information using the specified form. In respect of shopping mall, department store, market and supermarket, the above three categories of persons need not fill in the specified form.

Specified religious premises as recognised by the Home and Youth Affairs Bureau (**HYAB**) may, on religious ground, adopt specified alternative arrangement on specified dates in lieu of visitors' use of 'LeaveHomeSafe' mobile application.

The requirements on customers' use of 'LeaveHomeSafe' mobile application do not apply to scheduled premises that are regulated under the Regulation and owned or managed by the Government of the Hong Kong Special Administrative Region.

Note 4:—

The requirements on the use of the 'LeaveHomeSafe' mobile application and those specified in the Vaccine Pass Direction do not apply to persons who are in transit/transfer at the Hong Kong International Airport.

Note 5:—

If a person with the "Red Code" has been placed under isolation by a health officer by order in writing under section 23 of the Prevention and Control of Disease Regulation (Chapter 599, sub. leg. A) at a certain hotel/guesthouse, that person with the "Red Code" may enter the relevant hotel/guesthouse.

Note 6:—

Starting from 12 August 2022, premises operators must make available at least one device installed with the latest version of the "QR Code Verification Scanner" mobile application developed by the Government for scanning the COVID-19 Vaccination Record or COVID-19 Vaccination Medical Exemption Certificate (as applicable) presented by customers/users/visitors, and ensure that their mobile device(s) with the QR Code Verification Scanner could be connected with the internet (through WiFi or data card) when the premises are opened for business no later than 23 August 2022. The requirement on the use of the "QR Code Verification Scanner" mobile application to scan the COVID-19 Vaccination Record or COVID-19 Vaccination Medical Exemption Certificate (as applicable) is applicable only to premises which need to comply with Parts (1)(c) and (d) of the Vaccine Pass Direction.

Note 7:—

A customer of a club or nightclub must, before entering the premises, present a photo showing the RAT-negative testing kit, on which the name of the customer as well as the day and time of taking the RAT are marked, of a test conducted within the preceding 24 hours.

Note 8:—

If a person who needs to comply with the requirement about undergoing polymerase chain reaction-based nucleic acid test(s) for COVID-19 (*the relevant test(s)*) has obtained, during the 30 days preceding the day when such test(s) is to be conducted, a positive test result in a PCR test or RAT for COVID-19 (*relevant person*), then he/she needs not undergo the relevant test(s). The relevant person must keep and produce on request the relevant documentary proof to a prescribed officer as required below:—

- (a) in respect of a person who had been tested positive in a PCR test—the relevant SMS (mobile phone text message) notification containing the positive result of the test; or
- (b) in respect of a person who had been tested positive in a RAT—the relevant SMS (mobile phone text message) notification or isolation order issued after making a declaration on the Government's "Declaration System for individuals tested positive for COVID-19 using Rapid Antigen Test".

If the relevant person cannot produce the relevant documentary proof as set out above, then he/she must still undergo the relevant test(s).

If a person who needs to comply with the relevant test(s), and the sample(s) for such test(s) should be taken through combined nasal and throat swabs, is issued a medical certificate by a registered medical practitioner (*relevant medical certificate*), proving that he/she is unfit to undergo the relevant test(s) using sample(s) taken through combined nasal and throat swabs because of health reasons, then he/she may undergo the relevant test(s) using deep throat saliva sample(s). Relevant person must keep the SMS notification(s) containing the result(s) of the test(s) and the relevant medical certificate.

Note 9:—

If within 72 hours prior to the customer's scheduled boarding time, a Tropical Cyclone Warning Signal No. 8 or above is in force or anticipated to be in force, then the customer may produce a negative result proof of a PCR test for with the test sample taken within 72 hours (instead of 48 hours) prior to boarding the cruise ship.

Note 10:—

A staff member or customer of a cruise ship must produce a photo showing the RAT-negative testing kit, on which the name of the staff member/customer and the day of taking the RAT are marked upon being asked by an enforcement officer.
