

PREVENTION AND CONTROL OF DISEASE (COMPULSORY TESTING FOR CERTAIN PERSONS) REGULATION

Compulsory Testing Notice

I hereby exercise the power conferred on me by section 10(1) of the Prevention and Control of Disease (Compulsory Testing for Certain Persons) Regulation (*the Regulation*) (Chapter 599, sub. leg. J) to:—

Category of Persons

(I) specify the following category of persons ^[Note 1]:—

any person who had been present at 陸田園餐廳小廚, G/F, 1A Gordon Road, Tin Hau, Hong Kong in any capacity (including but not limited to full-time, part-time and relief staff and visitors) at any time during the period from 8:00 a.m. to 10:00 a.m. on 31 December 2021;

Requirements and Procedure for the Test

(II) require every person who falls within the above category to undergo a polymerase chain reaction-based nucleic acid test for the coronavirus disease 2019 (*the Specified Test*) in compliance with the requirements and procedure set out below ^[Note 2]:—

(a) for a test at mobile specimen collection stations:—

- (i) attend one of the mobile specimen collection stations ^[Note 3] set up by the Government on 6 January or 7 January 2022;
- (ii) undergo the Specified Test, including providing a sample taken through combined nasal and throat swabs, in accordance with the instructions given by the staff at the stations;
- (iii) report the test result to the Centre for Health Protection by phone (2125 1111/2125 1122) as soon as possible and in any case no later than 8 January 2022 after receiving the SMS (mobile phone text message) notification containing the result of the test; and
- (iv) keep the SMS (mobile phone text message) notification containing the result of the test, and provide the relevant SMS notification for checking by a prescribed officer when the prescribed officer requires the person to provide information about his or her undergoing the Specified Test;

OR

(b) for a test at Community Testing Centres:—

- (i) attend one of the Community Testing Centres ^[Note 4] set up by the Government on 6 January or 7 January 2022 during its opening hours;
- (ii) undergo the Specified Test, including providing a sample taken through combined nasal and throat swabs, in accordance with the instructions given by the staff at the centre;
- (iii) report the test result to the Centre for Health Protection by phone (2125 1111/2125 1122) as soon as possible and in any case no later than 8 January 2022 after receiving the SMS (mobile phone text message) notification containing the result of the test; and
- (iv) keep the SMS (mobile phone text message) notification containing the result of the test, and provide the relevant SMS notification for checking by a prescribed officer when the prescribed officer requires the person to provide information about his or her undergoing the Specified Test;

OR

(c) for a self-arranged test:—

- (i) arrange for the carrying out of the Specified Test at a laboratory which is included in the list of recognised laboratories for the Specified Test published at the coronavirus disease 2019 thematic website on https://www.coronavirus.gov.hk/pdf/List_of_recognised_laboratories_RTPCR.pdf and which can issue SMS (mobile phone text message) notifications in respect of test results;
- (ii) undergo, on 6 January or 7 January 2022, the Specified Test in accordance with the instructions given by the staff of the laboratory, including providing a sample taken through combined nasal and throat swabs;
- (iii) report the test result to the Centre for Health Protection by phone (2125 1111/2125 1122) as soon as possible and in any case no later than 8 January 2022 after receiving the SMS (mobile phone text message) notification containing the result of the test; and
- (iv) keep the SMS (mobile phone text message) notification containing the result of the test, and provide the relevant SMS notification for checking by a prescribed officer when the prescribed officer requires the person to provide information about his or her undergoing the Specified Test;

(III) require every person who falls within the above category to take appropriate personal disease prevention measures as far as reasonably practicable, including wearing a mask and maintaining hand hygiene; and unless for the purpose of undergoing the Specified Test, stay at his/her place of residence and avoid going out until the test result is ascertained as far as possible;

Period Specified for the Purpose of Section 14(3)(b) of the Regulation

(IV) specify in relation to the category of persons in Part (I) above the 30-day period from 8 January to 6 February 2022, or the 30-day period from the day following the Extended Testing Period due to Inclement Weather ^[Note 6] as the period during which a Compulsory Testing Order may be issued under the Regulation upon non-compliance with this Notice;

Appointment of Prescribed Officers

(V) appoint members of the Auxiliary Medical Service and all public officers of the Government of the Hong Kong Special Administrative Region to perform a function under the Regulation concerning a requirement specified under this Notice ^[Note 7].

Note 1:—

If a person who falls within the category specified in Part (I) above is required to undergo quarantine pursuant to section 22 of the Prevention and Control of Disease Regulation (Chapter 599, sub. leg. A), that person is not required to comply with the requirements set out in this Notice during the quarantine period.

Note 2:—

If a person who falls within the category specified in Part (I) above is issued a medical certificate by a registered medical practitioner (*relevant medical certificate*), proving that he/she is unfit to undergo the Specified Test using a sample taken through combined nasal and throat swabs in compliance with the requirements and procedure set out in Part (II) because of health reasons, then he/she may undergo the Specified Test using a deep throat saliva sample in compliance with the requirements and procedure set out below:—

(a) for a test with a specimen bottle obtained:—

- (i) obtain a specimen bottle from one of the 120 post offices, 47 general out-patient clinics of the Hospital Authority or vending machines set up at 20 MTR stations ^[Note 5];
- (ii) collect deep throat saliva sample in the specimen bottle as per the guidelines provided together with the specimen bottle;
- (iii) return, on 6 January or 7 January 2022, the specimen bottle with the sample to one of the designated collection points ^[Note 5];

- (iv) report the test result to the Centre for Health Protection by phone (2125 1111/2125 1122) as soon as possible and in any case no later than 8 January 2022 after receiving the SMS (mobile phone text message) notification containing the result of the test; and
- (v) keep the SMS (mobile phone text message) notification containing the result of the test and the relevant medical certificate, and provide the relevant SMS notification and relevant medical certificate for checking by a prescribed officer when the prescribed officer requires the person to provide information about his or her undergoing the Specified Test;

OR

- (b) for a test at general out-patient clinics of the Hospital Authority:—
 - (i) undergo, on 6 January or 7 January 2022, the Specified Test at general out-patient clinics of the Hospital Authority as instructed by a medical professional of the Hospital Authority;
 - (ii) report the test result to the Centre for Health Protection by phone (2125 1111/2125 1122) as soon as possible and in any case no later than 8 January 2022 after receiving the SMS (mobile phone text message) notification containing the result of the test; and
 - (iii) keep the SMS (mobile phone text message) notification containing the result of the test and the relevant medical certificate, and provide the relevant SMS notification and relevant medical certificate for checking by a prescribed officer when the prescribed officer requires the person to provide information about his or her undergoing the Specified Test;

OR

- (c) for a self-arranged test using deep throat saliva sample:—
 - (i) arrange for the carrying out of the Specified Test at a laboratory which is included in the list of recognised laboratories for the Specified Test published at the coronavirus disease 2019 thematic website on https://www.coronavirus.gov.hk/pdf/List_of_recognised_laboratories RTPCR.pdf and which can issue SMS (mobile phone text message) notifications in respect of test results;
 - (ii) undergo, on 6 January or 7 January 2022, the Specified Test in accordance with the instructions given by the staff of the laboratory;
 - (iii) report the test result to the Centre for Health Protection by phone (2125 1111/2125 1122) as soon as possible and in any case no later than 8 January 2022 after receiving the SMS (mobile phone text message) notification containing the result of the test; and
 - (iv) keep the SMS (mobile phone text message) notification containing the result of the test and the relevant medical certificate, and provide the relevant SMS notification and relevant medical certificate for checking by a prescribed officer when the prescribed officer requires the person to provide information about his or her undergoing the Specified Test.’
