  - (3) before entering a catering premises, must conduct body temperature screening.

**Note 1:—**

Specific catering business means any of the following catering business:—

1. A catering business carried on at any premises set out in Part 1 of Schedule 1 to the Regulation; or
2. A catering business or category of catering business designated under section 7A(1) of the Regulation by the Chief Secretary for Administration for the purposes of section 3(3)(b) or (c) of the Regulation.

The hours during which food or drink may be sold or supplied by the specific catering business for consumption on the premises is not restricted by this notice. Except customers who need not comply with the requirements applicable to persons entering or remaining on catering premises in the Vaccine Pass Direction, specific catering business must comply with all the other requirements and restrictions under this notice (except in circumstances where the premises on which food or drink is sold or supplied is not the usual place of business for the specific catering business concerned).

**Note 2:—**

“Staff members involved in the operation of the business on the premises” include any persons who (i) serve food or drink (including intoxicating liquors) to the customers on the premises or (ii) conduct promotional or sales activity on the premises in respect of food or drink (including intoxicating liquors) supplied thereon.

**Note 3:—**

In respect of catering premises which operate in Type B or Type C mode of operation in the previous specified period (10 February 2022 to 23 February 2022), if a staff member involved in the operation of catering premises has not received two doses of COVID-19 vaccine on the day of 24 February 2022, but have received one dose of COVID-19 vaccine, the relevant premises operator and staff member who adopt the following measures (two relevant measures) would not be deemed to have violated the relevant requirement about staff members receiving two doses of COVID-19 vaccine:—

- (i) ensure that such staff member has already made an appointment for receiving the second dose of COVID-19 vaccine on or before 30 March 2022, and ensure that the relevant staff member keeps record of the above appointment; and
- (ii) arrange for such staff members to undergo a polymerase chain reaction based nucleic acid test for COVID-19 once every 7 days starting from 24 February 2022 and the sample(s) of the test(s) conducted must be taken through combined nasal and throat swabs which must not be taken by the person being tested <sup>[Note 7]</sup>, and ensure that such staff obtain SMS notification containing the result of the test before 3 March 2022 and the end of every subsequent 7-day period and keep record of each SMS notification for 31 days.

If a staff member <sup>[Note 2]</sup> who had been issued a COVID-19 Vaccination Medical Exemption Certificate and exempted from the Vaccine Pass requirement under the Vaccine Pass Direction, and such staff member subsequently received one dose of COVID-19 vaccine but has not received the second dose of COVID-19 vaccine during this specified period, then the relevant premises operator and staff member who adopt the above two relevant measures would not be deemed to have violated the relevant requirement about staff members receiving two doses of COVID-19 vaccine.

In respect of persons recovered from COVID-19, the vaccination requirement is as follows:—

- (i) nil, if within 6 months from date of discharge or recovery (whichever is later); or
- (ii) first dose, if after 6 months from date of discharge or recovery (whichever is later) and within 9 months subsequently; or
- (iii) second dose, if after 9 months from the first dose.

**Note 4:—**

If a staff member involved in the operation of the business on the premises <sup>[Note 2]</sup> is exempted from the Vaccine Pass requirement under the Vaccine Pass Direction, then he/she must undergo a polymerase chain reaction-based nucleic acid test for once every 7 days starting from 24 February 2022 and the sample(s) of the test(s) must be taken through combined nasal and throat swabs <sup>[Note 7]</sup>, and ensure that a SMS notification containing the result of the test is obtained before 3 March 2022 and the end of every subsequent 7-day period and keep record of each SMS notification for 31 days.

The following staff members involved in the operation of the business on the premises must make a declaration to the premises operator using the specified form available on the COVID-19 Thematic Website/relevant website of the FEHD:—

- (1) staff members who received COVID-19 vaccination outside Hong Kong; or
- (2) staff members who hold a COVID-19 Vaccination Medical Exemption Certificate.

**Note 5:—**

The requirement that it must be ensured that a customer scans the ‘LeaveHomeSafe’ venue QR code using the ‘LeaveHomeSafe’ mobile application on his/her mobile phone/other mobile device before entering a premises does not apply to customers who only order takeaways.

If a person belonging to any one of the following three categories of persons is unable to use the “LeaveHomeSafe” mobile application to record his/her visit to the relevant premises, he/she should use the specified form available on the COVID-19 Thematic Website/FEHD webpage or a written or electronic form separately prepared containing all content in the aforementioned standard form to register his/her name, contact number and the date and time of his/her visit and the relevant premises operator must keep the written or electronic records for 31 days:—

- (1) persons aged 65 or above or aged 15 or below;
- (2) persons with disability; and
- (3) other persons recognized by the Government or organization(s) authorized by the Government as eligible for the above arrangement.

Only in respect of a person aged 15 or below who is unable to use the “LeaveHomeSafe” mobile application, if his/her adult accompanying person has used the “LeaveHomeSafe” mobile application to scan the relevant venue QR code or used the specified form to register relevant information in accordance with the relevant requirements, he/she would not have to register the relevant information using the specified form.

**Note 6:—**

A person under the age of 2 is not required to comply with the requirement in relation to the wearing of mask within any catering premises.

**Note 7:—**

If a person who needs to comply with the requirement about undergoing polymerase chain reaction-based nucleic acid test(s) for COVID-19 (*the relevant test(s)*), and the sample(s) for such test(s) should be taken through combined nasal and throat swabs, is issued a medical certificate by a registered medical practitioner (*relevant medical certificate*), proving that he/she is unfit to undergo the relevant test(s) using sample(s) taken through combined nasal and throat swabs because of health reasons, then he/she may undergo the relevant test(s) using deep throat saliva sample(s). Relevant person must keep the SMS notification(s) containing the result(s) of the test(s) and the relevant medical certificate.
